VOLUME 12. MARYVILLE, MISSOURI, MONDAY, AUGUST 1, 1921 NO. 49

STATE'S PROGRESS HANGS IN BALANCE

ANTIQUATED CONSTITUTION IS HOLDING MISSOURI BACK

DATES FROM CIVIL WAR

Must Vote For Convention or Wait Twenty Years More.—Other Propositions Important.

Polling Places in Maryville

Precinct A, fourth ward—Kuch's building, south side of the square.

Precinct B, third ward—Gray's sale pavilion.

Precinct C, second ward—Men's Bible Class tent, north of Christian Church.

Precinct D, first ward—Charles Hyslop's office, north side of square.

The progress of Missouri hangs in the balance at the special election, which will be held tomorrow. There will be two ballots, one on the question of holding a convention to amend the state constitution, and the other containing three proposed amendments to the present constitution. If the first proposition is carried, it means a convention will be held to draft a new constitution for Missouri. The present charter is forty-six years old, is admittedly out of date, and is holding back progress in this state. Practically every organization in the state, regardless of politics or creed is in favor of a new constitution.

Should the voters Tuesday refuse to authorize the calling of a convention, they must wait twenty years longer before they can renew efforts for a modern constitution.

The Three Other Propositions

The other ballot will be headed, "Constitutional Ballot," and will carry three proposed amendments to the present constitution.

Proposition No. 1. on the constitutional ballot is to enable women to hold any office in the state by eliminating the word "male" from the constitution in enumerating qualifications for holding office.

Proposition No. 2 provides that the interest of the $60,000,000 authorized road bond issue may be paid from the motor vehicle license fees.

Proposition No. 3 seeks to authorize the legislature to incur and provide by taxation for the payment of indebtedness not exceeding $15,000,000 for bonuses to Missouri soldiers, sailors and marines.

About the Bonus.

The amendment fixes the bonus at $10 per month for each month of actual service during the war with Germany, either at home or in Europe with a maximum of $250, or for twenty-five months' service.

On each ballot will be printed the words, "Yes", and "No." Voters in favor of the proposition should scratch out the word "no" leaving the word "yes."

The special election Tuesday will be the first held in Missouri since 1911, when the vote on capitol building bonds was held. Except for that, there has been no special election in this state since the '70's.

Presumably the women's organizations will not let the constitutional amendment qualifying them to hold office go by default and the American Legion posts throughout the state have taken the bonus amendment in hand.

The polls will open at 6 a. m. and will close at 7:20 p. m.

Miss Florence Farrell of Burlington Junction has been visiting friends in Maryville.

RAILROAD LABOR BOARD DEMANDS NEW ELECTIONS

Open Shop Issue is Raised in Ruling Affecting Employees of Pennsylvania Railroad.

Chicago, Aug. 1.— The issue of the open shop as it affects the employees of the Pennsylvania Railroad was brought sharply to the front today by the action of the railroad labor board in ordering a new election of the employees' representatives and prescribing a new manner of voting.

The labor board set aside the recent election and rules. The Pennsylvania officials gave no hint as to the attitude that would be taken.

AUTO LIGHT LAW IS CITED BY M'CAFFREY

PROSECUTING ATTORNEY DISCUSSES PROVISIONS OF STATUTE

ARREST OF VIOLATERS

Some Complaints Made of Being Blinded by Glaring Headlights On Automobiles.

Prosecuting Attorney Charles F. McCaffrey stated today he has had some complaints in regard to the glaring lights on cars. Mr. McCaffrey has instructed the authorities to arrest those who have not complied with section 7577, regarding the proper lights.

Section 7577, as to automobile lights is as follows:

The Law

Every motor vehicle while on the public highway, whether in operation or otherwise, during the period from half hour after sun set to a half hour before sun rise, and at all times when fog or atmospheric conditins render the operations of vehicles dangerous to traffic on and use of the highway, shall carry, at the front, at least two lighted lamps not exceeding 36 candle power each (except that motorcycles shall carry, one lighted lamp), showing white lights visible under normal atmospheric conditions, at least 500 feet in the direction toward which said motor vehicle is facing, which lamp shall produce sufficient light to reveal objects 150 feet ahead, and shall be adjusted and directed so that, on level ground, the main shaft of clear, condensed light shall be porjected straight forward, and no portion of it shall be above the level of the lamp, nor more than 42 inches above the ground.

"Such adjustment and direction shall be permanently maintained. Electric headlights shall, in addition have the entire inside surface of their lower glasses etched or ground to such a degree or be so formed that the lighted filament shall appear blurred and indistinctly defined, and that the light emitted shall be defused and free from scintillation and brilliant or metallic luster."

Section 7579 tells of dirigible searchlights which follows.

"Dirigible searchlights shall not be used on public highways within cities or town, except in emergency or when headlights are inadequate, owing to rain o rfog, and then providing the shaft of condensed light is directed downward, below the level of the lamp, and, at no time, into the eyes of other persons, but dirigible searchlights may be used at any time on public highways outside the limits of cities or town, provide their light is directed herein required."

The law also states that no vehicle shall show other than white lights in front and a red light to the rear.

MAIL POUCH DISAPPEARS —SO DOES POSTAL CLERK

Cleveland, Aug. 1.—A mail pouch believed to contain $5,000 in currency and jewels was stolen from a postal substation here today. Officers are searching for the clerk who left the station early this morning and has not been home.

To Kansas.

Miss Ina Hollowell left this morning for Washington, Kan., for a visit of two weeks with relatives and friends.

NODAWAY COUNTY GETS TWO ROADS

REPRESENTATIVE MILLER TELLS WHAT NEW LAW PROVIDES.

MAY GET TRUNK ROADS

Gravel Bound Highways Will be Made of East to West and North to South Roads.

Representative Jesse Miller who returned home at noon today from Jefferson City, feels that Missouri for once has a real road law—a law that has provided sanely for both the cities and the rural districts. While the special session of the legislature will not officially adjourn until Wednesday, most of the members have left Jefferson City. The legislature was in session about seven weeks.

The first issue of the 60 million dollar bond fund cannot be sold until March 1, 1923. It was pointed out that more than 20 million dollars in road contracts were awarded under the old law that should be carried to completion before starting under the new law. In the meantime sufficient time is given the new highway commission, provided for in the bill, to prepare its plans and map out its program for a new highway system. Under the old road contracts there is $40,000 available for Nodaway county, and unless this money is spent within the next year or so this county will lose it.

Representative Miller says there will be approximately 75½ miles of bound gravel roads in Nodaway county which will meet the requirements of the government, as provided for in the bill passed Saturday. The east and west highway will enter the county at a point east of Conception, and will pass through Ravenwood, Maryville and Burlington Junction. The route from the county line to Ravenwood will be selected by the highway commission and it is probable it will be through Conception and Conception Junction. The route between Ravenwood and Maryville and Burlington Junction is not designated in the bill but is left to the discretion of the highway commission.

The north and south highway will include Hopkins, Pickering, Maryville and Barnard. These towns are designated in the bill and the routes between these places will be selected by the commission.

Mr. Miller stated the estimated cost of these bound gravel roads for Nodaway county is about $12,000 a mile, while in other counties the cost will not be so great. First a survey of each county will be made under the direction of the highway commission for an estimate of the cost in that county. Then when the estimated cost is arrived at, the county will receive that amount when the bonds are sold.

Mr. Miller believes that the federal money will be received by the state for the kind of roads to be constructed here. The federal money will amount to $35,000,000.

Dr. Miller thinks there is some chance of getting one of the trunk highways of the 1,500 miles which are to be high type concrete roads and to be designated by the state highway commission. One of the highways of this type may pass through Nodaway county and St. Joseph.

C. W. YEHLE LEAVES ON EASTERN BUYING TRIP.

C. W. Yehle left last night on a buying trip to St. Louis, Chicago and New York City for the Yehle Dry Goods Company. Mr. Yehle will also go to Jackson, Mich., for a visit at the home of C. J. Alderman, a former Maryville resident.

Miss Ethel Muntz, head of the millinery department of the Yehle store, left at noon for Chicago to buy fall and winter millinery.

Married by Justice Johnson.

Miss Bernice E. Van Auken and John J. DeLanty, both of Council Bluffs, Ia., were married at 2 o'clock this afternoon in the office of Justice W. L. Johnson.

DR. MILLER HOME

I have returned from Jefferson City and shall be at my office at the usual hours hereafter. Make your appointments in advance.

Dr. Jesse Miller, Sr.

W.R.C. ELECTS DELEGATES TO DISTRICT CONVENTION

Four Delegates From Maryville Will Go to St. Joseph Aug. 27.

At a meeting of the W. R. C. at the K. P. hall Saturday afternoon, four delegates were elected to attend the district convention at St. Joseph on August 27.

The delegates are Mrs. Peter Groppe, Mrs. T. J. Puckett, Mrs. Luticia Allen and Mrs. Mary Brogan.

The alternates are Mrs. Mariah Smith of Piekering, Mrs. Maggie Lutz, Pickering; Mrs. Mary Herron and Mrs. Minnie Hopper of Maryville.

NOTED SINGER TO SPEAK TO C. OF C.

CARMEN PASCOVA WILL BE GUEST AT LUNCHEON.

OF INTERNATIONAL FAME

Brilliant Mezzo-Soprano Said to Have "Rare Beauty and Delightful Personality."

Carmen Pascova, the noted Australian mezzo-soprano of the Chicago Opera Association and called "the most attractive opera singer now appearing before the American public," will be a guest of the Maryville Chamber of Commerce at its weekly luncheon next Monday night. She will talk to the business men on chamber of commerce work.

Secretary George Pickens heard from an official of the Redpath-Vawter Chautauqua Company, under whose auspices Miss Pascova will appear here, that the noted singer was interested in chamber of commerce activities. Her answer to his invitation to speak was received this morning. It reads:

"It will give me great pleasure to accept your kind invitation to be a guest at your Monday evening dinner on August 8 and will be very glad to talk to you on this occasion."

Miss Pascova is heralded as the successor of Melba. Of international fame because of her work in Europe, Pascova recently captured Chicago and New York musical critics by her brilliance i ngrand opera with the Chicago Opera Company. She has sung frequently in duet with Galli-Curci. Her voice is being recorded by Pathe.

Gilbert P. Riswold, a prominent American sculptor, has just completed arrangements with the renowned artist for a portrait bust with which he will embellish the music room of the Lake Forest, Ill., residence of a well known millionaire.

In speaking of Miss Pascova, the sculptor says: "I am postive that I have made the right selection. Miss Pascova has rare beauty of the classic Greek type, delightful personality, great magnetic force and unusual artistic ability. She is also a lady born. Taken, all in all, I consider her to be the most attractive singer I have ever seen. There are a few who are just a bit prettier but they are not so attractive."

In order to have more room for the Pascova luncheon next Monday night, the Chamber of Commerce gathering tonight will be held at the Linville Hotel and that next week in the larger dining room of the Bainum Hotel. H. P. Swinehart and Dr. Jesse Miller will be guests at the luncheon this evening.

AMERICAN RELIEF ORDERED TO RIGA TO AID RUSSIANS

American Prisoners Must be Delivered Before Discussions Will Open —Says Hoover.

Washington, Aug. 1.—Secretary of Commerce Hoover today cabled Walter Brown, European Director of the American Relief of the administration to proceed at once to Riga to open negotiations for the relief of the Russian situation. Hoover's instructions stipulated that American prisoners must be delivered at Riga before discussions could be opened.

Washington, Aug. 1.—Secretary of Commerce Herbert Hoover, today received a reply to his communication setting forth the terms under which American relief would be furnished famine stricken Russia. The reply came from Maxim Gorkey and the details of it was withheld.

Miss Maye Sturm spent the week end visiting at the home of Mr. and Mrs. Glen Adams of Wilcox.

SKIDMORE CHURCH HAS ANNIVERSARY

THE REV. C. M. CHILTON ORGANIZED CONGREGATION IN 1894

A REMINISCENT SERVICE

Mrs. William Howden Tells of Early Days of Church and Former Pastors and Members Write

Twenty-seven years ago yesterday the Christian Church at Skidmore was organized with about thirty charter members. Yesterday the anniversary of the Bible school and church was celebrated with a program in the morning, followed by a basket dinner, attended by most of the 180 resident members and many friends.

The morning was given over to a reminiscent service, with the principal address by Mrs. William Howden, one of the first members of the church. She told of the early history of the church, the first members and interesting events in the intervening twenty-seven years.

The Rev. Mr. Connor, a former pastor now living in Iowa, gave a short address. He also occupied the pulpit at the evening service.

A letter was read from the Rev. C. M. Chilton of St. Joseph, who organized the congregation in 1894 while he was pastor of the First Christian Church of Maryville. The organization of the congregation with about thirty members was followed by a tent meeting, at which there were 113 additions.

Letters were also received from the Rev. H. F. Murphy, Savannah, and the Rev. W. R. Matsell, Promise City, Iowa, other former pastors.

Other letters were received from former members scattered over California, Iowa, Kansas, Oklahoma and a number of other states. In the congregation were several former members who returned to help celebrate the anniversary.

Mrs. Sarah Shell was the oldest member present. She is 92 years old and was one of the charter members of the congregation. Her birthday was the same as the anniversary of the church.

The basket dinner was served at noon in Sewell's grove. There was no afternoon program.

The first pastor of the Skidmore Christian Church was Elder M. Rollo Davis, who now lives in Los Angeles, Cal. A church was built at a cost of $3,000 two years after the congregation was organized. The present pastor is the Rev. Hugh McClellan. The present church building was erected in 1905 and has since been remodeled and a furnace installed.

TWO GIRLS HURT WHEN AUTO GOES OVER BANK

Misses Alene and Mary Holt Bruised but No Bones Broken—Former Pinned Under Wheel.

Misses Alene and Mary Holt were badly bruised when the Haines touring car owned by Charles Holt plunged over a ten-foot embankment near the bridge just east of the Shell Grove school house about 10 o'clock this morning.

Miss Alene Holt was driving the car, which was just at the end of the bridge when a tire blew out and threw the car to one side. It hit a tree, turned and fell over the embankment. Miss Mary Holt was thrown out but Miss Alene was pinned in by the steering wheel and the car carried her over with it. The car landed up side down, breaking the top, wind shield and radiator.

Miss Alene Holt is the daughter of underneath the wrecked car and walked a mile to a house. A doctor's examination revealed no bones broken, although the girl was badly bruised. There may be internal injuries, but it not thought that they will be serious. Miss Mary Holt's back was badly wrenched.

Mis sAlene Holt is the daughter of Mr. and Mrs. Charles Holt and Miss Mary Holt is the daughter of Mr. and Mrs. Alexander Holt. They were driving enroute to the home of A. J. Holt.

Jitney Supplants Railroad

Harrison, Mo., Aug. 1.—Jitney service was inaugurated today along the line of the Missouri and North Arkansas Railroad which suspended Sunday night. Six counties are now without train service.

PILGRIM FATHERS LANDED 300 YEARS AGO TODAY

President Harding Leads Procession in Celebrating of Founding Of Plymouth.

Plymouth, Aug. 1.—President Warren G. Harding led a procession here today depicting the life of the Pilgrim Fathers. With the town gaily bedecked in celebration of the tercentary, the presidential yacht, Mayflower, followed the course through Cape Cod which the original Mayflower took three centuries ago.

Harding's first act was to urge the children to carry the principles of the Pilgrim Fathers on through eternity.

FANS SEE CLOSE BASEBALL GAMES

TWO CONTESTS IN COUNTY RUN INTO EXTRA INNINGS

CLEARMONT LOSES 11-2

Wilcox Beats Burlington Junction, 2-1 —Maryville, Parnell and Sheridan Other Winners.

Baseball fans of the county were treated to two more extra-inning contests yesterday, when Burlington Junction won from Wilcox, 2-1, and the Maryville White Stars triumphed over Ravenwood, 8-6. There were other good games which went only nine innings.

The game at Burlington Junction now holds a place in the fan's memory alongside eleven-inning pitchers' battle which Wilcox won from Clearmont Friday. For eight innings yesterday neither Wilcox nor Burlington Junction wa sable to score. In the last half of that inning the Boosters scored one run, an achievement which the Wilcox batters duplicated in the first half of the ninth. The winning run was made by Wilcox in the tenth inning, when Browning tripled and scored on a bunt.

Hughes and Hagey were the battery for Burlington Juction and Lehman and Tobin for Wilcox. the game was fast all the way through with both teams showing a good infield defense.

At Ravenwood the visiting Maryville players piled up an early lead by scoring a run in the first inning, another in the third and two more in the sixth. Ravenwood made two in the seventh, another in the eighth, and tied the score in the ninth.

In the tenth inning, Buhler doubled and went to third on Mayes' infield tap, which the Graham shortstop fumbled. The next two batters struck out, but Nixson scored both runners with a double. Two more runs were added when Claude Pierpoint planted the ball far out in right field, circling the bases before it was returned to the infield.

Ravenwood made a gallant effort to come back in their half of the final inning, but the rally was cut short after two runs had been scored.

M. Still, Henry Buhler and Mayes formed the battery for the White Stars. Ross was on the mound for Ravenwood. He performed well but was given poor support. He had seventeen strike-outs to his credit.

Besides Pierpoint, who made a home run and one other hit in three times at bat during the four innings he played, heavy hitters for Mary-

(Continued on page 4)

ROAD BILL FINALLY PASSES ASSEMBLY

BOTH HOUSES ACTED QUICKLY SATURDAY NIGHT.

HARD SURFACE VICTORY

Gravel Bound Roads Will be Supplementary to Trunk Lines Crossing the State.

ROAD LAW AT A GLANCE.

Hard surfaced roads at minimum of $6,000 to be built under direction of highway commission of four members.

Safeguards provisions to obtain federal aid.

Eliminates provision to set aside 114 miles in each county for annual appropriations.

Construction shall begin as nearly at the same time as possible in all counties. Apportionment of funds to each and every county to be made at the same time and payments made pro rata as funds are received.

Defines hard surfaced roads as: "Concrete, comparable types, properly bound gravel or the equal of properly bound gravel, to be approved by the highway commission and to meet government regulations.

Basis of apportionment: Multiply total miles in statewide system or roads in such county by $6,000. (Provision made to increase apportionment in counties requiring unusually costly hard road construction.)

Highway commission may sue those damaging state roads.

Commission to be of four members, 6-year appointments. Engineer's salary to be $7,500 a year.

State highway designation by counties shall be on town to town basis.

Jefferson City, Aug. 1.—The 60-million-dollar road bill was passed by the legislature Saturday night by an overwhelming vote.

The measure went through the house by a vote of 129 to 2. A few minutes later it passed the senate by a vote of 28 to 0.

The action of the house came without debate quickly after the conference report had been adopted, and the senate lost no time in following suit.

Into Effect Immediately.

The emergency clause was attached to the road bill by both houses, so it will go into effect on receiving the governor's signature.

Under the bill passed Saturday night the road mileage on which the 60 million bond fund will be expended will vary in the different counties. The legislature adopted the town to town designation in the original house bill. All roads to be improved with state money are specified by the towns through which they pass.

In the main the apportionment provision of the bill gives one-third of the 60-million dollar fund for higher type roads and the remaining for gravel or its equivalent. However, the apportionment of $6,000 a mile shall include all counties. The effect will be to provide an aggregate of 29 million dollars for higher type, trunk line roads, and 31 million dollars for the gravel road systems.

The bill as agreed upon contained all

MISSOURI REPRESENTATIVES SHINE AT R.O.T.C. CAMPS

University Men Capture Honors at Camp Knox, Ky., and Fort Snelling, Minn.

Columbia, Mo., Aug. 1.—The representatives of the University of Missouri at the Field Artillery R. O. T. C. camp at Camp Knox, Ky., and at the Infantry R. O. T. C. camp at Ft. Snelling, Minn., made a better showing this summer than those of any other school. The Missouri pistol team won the inter-collegiate pistol match at Camp Knox. There were teams from eighteen universities in the contest for the silver cut offered to the winning team. Missouri won by the score of 1,873 out of a possible 2,100. The nearest competitor was the Oregon Agricultural College with a score of 1,755, and the University of Illinois was third with 1,691. This cup is now the permanent property of the University of Missouri.

At Ft. Snelling, the Missouri Infantry unit took first place in the final military and field events. The events consisted of close order drill, target practice, general military work and various forms of athletic sports, including boxing, baseball, tennis and track. A cup donated by the Kiwanis club of St. Paul for the best college unit was presented to Col. W. E. Persons for the University of Missouri aggregation. This cup is to be competed for annually.

The good showing of the Missouri R. O. T. C. units at the summer camps is largely due to the splendid basic training which they receive while at the University.

Real Estate Transfers.

List of instruments filed in the Recorder's office in Nodaway county, beginning July 23:

J. R. Rickman to D. R. Palmer lots 3 and 4, ½ blk 5, Torrance addition Maryville, $2,000.

W. E. Freytag to A. E. Morgan part lot 2, blk. 2, Brown's add. Graham, $1.

A. E. Morgan to W. E. Freytag and wife, part lot 2, block 2, Brown's add. Graham, $1.00.

J. O. Miller to J. T. Hays lots 7, 8, 9 and 10, block 1, Memorial Park add. Skidmore, $740.

F. H. Bryan et al to E. J. Roots E½ NE blk 8, Saunders add. Maryville, $1.

Will Educate Educators.

Columbia, Mo., Aug. 1.—A campaign to "educate the educators" of the state, in the use of slides and motion pictures in connection with school work, is being planned by the University of Missouri Extension Division in collaboration with Prof. J. V. Ankeney, who is at the head of the department of visual education. Professor Ankeney has already done much to emphasize the importance of this work throughout the state. In the extension division announcement there are listed the films and slides ready for distribution, the number of which is greatly increased over that of any preceding announcement.

204 Studying Journalism.

Columbia, Mo., Aug. 1.—The enrollment in the University of Missouri School of Journalism for the spring-summer term this year, omitting duplicates, totals 204, as compared to 174 for the spring-summer term of 1920. This is an increase of more than 17 per cent. These figures include all students taking professional courses in journalism.

Mrs. Frank Broomfield and her grand daughter, Marjorie Lewis of Parnell, are spending the day with Mrs. Broomfield's brother, J. L. Porter.

EYES EXAMINED FREE!

Our expert graduate Optometric will diagnose your eye trouble and tell you what you need. The service is free at

KUCHS BROTHERS
322 North Main St.

H. P. Swinehart Here

H. P. Swinehart, former head of the English department at the State Teachers' College, is in Maryville to spend a few days transacting business. He is accompanied by his little daughter, Margaret and is the guest of Mr. and Mrs. Roy A. Kinnaird. Mr. Swinehart will be a guest of the Chamber of Commerce at its weekly luncheon at the Linville Hotel tonight.

Graves, Not Gray.

In the story in Saturday's paper telling of the arrest of two boys on a charge of stealing watermelons, the name of the owners of the patch was given as John M. Gray. It should have been John M. Graves.

Irish Peace Hangs Fire

London, Aug. 1.—"An Irish settlement is still pending and no move has been made by the British government until the Sinn Fein at Dublin takes decisive action." declared Lloyd George in the House of Commons this afternoon.

Immigration Law Evaded

New York, Aug. 1.—Three liners bringing hundreds of immigrants from Italy, Greece and Ireland officially arrived today. They crossed the three mile limit almost on the stroke of midnight after having been delayed for several days to evade the new immigration retsriction laws.

Grant City Editor Hurt.

A car in which D. C. Simmons was driving in the west part of Grant City yesterday overturned and Simmons' arm was broken and others who were in the care were badly bruised. Simmons is editor of the Worth County Tribune.

Mitchell Guests.

Supt. and Mrs. J. U. Crosen and two sons of Tarkio were over-Sunday guests at the home of Mr. and Mrs. Robert G. Mitchell and family.

Return From Minnesota.

Dr. and Mrs. J. C. Allender returned Saturday night from a month's outing among the lakes in northern Minnesota.

Granted a Pool License

The county court in session today granted a pool hall license to Bainum & Garten, who will open their hall on the north side of the square.

Mrs. Allie Farnan, Mrs. Henry Lutgen and Richard Farnan of Conception Junction were Maryville visitors Friday.

xMiss Edna May Monk of Burlington Junction is visiting for several days at the home of W. H. Wilson and family of Quitman.

Miss Elizabeth Wagner, who has been visiting at the home of her mother, Mrs. Mary Wagner, northeast of Maryville, will leave tomorrow morning for Louisiana, Mo., to continue her work. Enroute there she will visit a short time with a friend, Miss Bertha Frede, at Chillicothe, Mo.

Lowry's Letter

This morning, all over the county, fires are being kindled and water heated for the weekly wash. Hot weather makes dirty clothes and mother's task is to gather them together and clean them up. We are wondering how many mothers, in Nodaway county are just now, bending over a wash board or cranking a hand washer?

Man—what is the mother in your home doing? Is she washing the hard way, or has she a MAYTAG Multi-Motor?

Dozens of Multi-Motors are pop, pop, poping over Nodaway county this morning, making a disagreeable task lighter. Some are in the basement, some in the shade of the house or a big tree. And anywhere they may be they are ready for service without lining up any belts or even being fastened to the floor.

We repeat now what we wrote a few days ago—while it is dry is the time to plow the stubble ground. Next year's crop will be 5 to 10 bushels per acre better if the ground is plowed while it is dry. If it is too heavy for horses, you might ask us about a tractor. We are willing.

HARDWARE AND IMPLEMENT CO. LOWRY MARYVILLE, MISSOURI

P. S.—We are making bargain prices on extra plow shares in stock.

SUBJECT FOR HIGH SCHOOL DEBATES IS MADE PUBLIC

Students to Argue the Pros and Cons of the Open Shop Question.

Columbia, Mo., Aug. 1.—The subject given out for the annual debating contest among the high schools of the state for the coming school year is: "Resolved, That the Principle of the Closed Shop Should Prevail in American Industry."

Any first class high school in the state is eligible to the contest and may enter upon the payment of a fee of $3. The state is divided into four districts, each of which will pair the schools of that section for the preliminary debate and will select the best team from the district.

The winning teams from the four districts will then be paired for the inter-district debate by the Extension Division of the University of Missouri and the two best teams will hold the final debate in Columbia on High School Day next spring.

The best individual debater, as selected by this process of elimination, will receive a $125 scholarship in the University.

A tentative bibliography has been arranged at the University Library and packages of material are being sent up for the competing high schools. About seventy schools entered the debating contest last year and more are expected to enter this year.

The final date for entering the contest is October 31, 1921.

Issued License to Marry.

A marriage license was issued Saturday afternoon to George Thomas Adams and AlEna Holt, both of Quitman.

Mr. and Mrs. W. J. Beggs and Tilghman Medsker and family of Guilford were in Maryville today.

Miss Sylvia Rogers a student in the college spent the week end with her parents at Ravenwood.

Prosperity item: An Atchison company sold 100 Fords in thirty days. That is more than it sold in any four months in 1920.

C. B. Walker: If you wise enuf to keep up a continuous honeymoon you will not need to bother with lawyers and alimony.

Jess Willard says he wants only four months in which to train to fight Dempsey. He may take four years, or even longer, if he wishes, for that purpose.

Mrs. Jesse Nixson, who has been visiting her daughter in Beardstown, Ill., returned to Maryville yesterday.

QUESTION OF FREIGHT RATES TO BE DISCUSSED AUGUST 5

Public Hearing at State Capitol on Freight Rates on "Grain, Grain Products and Hay."

All farm folks and any other interested persons are invited to attend the public hearing on freight rates on "grain, grain products and hay" before the Missouri Public Service Commission at Room 104, the Capitol, Jefferson City, Mo., on Friday, August 5, 1921, at which time the Commission will take testimony on "Case No. 12,929," dealing with freight rates on the products named.

This case is to be presented upon the theory that the rates applying from the farm to the primary market are unreasonably high from the economic standpoint, and tends to restrict the movement of farm commodities. It is purposed to show that with the present market price of grain and the cost of production the high freight rate will not permit a normal movement.

The Missouri State Board of Agriculture desires that concrete cases be presented either by affidavit or oral testimony where farmers still have grain or hay from last year's crop and reasons why the same have not been marketed, or where freight rates have proven harmful to agricultural production and marketing. All farm organizations and citizens are invited to cooperate.

The question of freight rates on "live stock" will not be discussed at this hearing, because the live stock rates have already been argued before the ratemaking authorities under "Cace No. 12146" on the I. C. C. docket. Remember that this hearing in Jefferson City on August 5 will deal only with "freight rates on grain, grain products and hay."

Invitation is today extended by the Missouri State Board of Agriculture to all officers and members of the Missouri Farm Bureau Federation, Missouri Farmers' Association, State Grange and State Farmers' Union, and all farm folks, to send sworn statements or to appear in person to give oral testimony at this hearing; generalities will be of little value, and specific statements of actual experiences and results are desired.

Affidavits and letters notifying of intention to testify, may be addressed to Secretary Jewell Mayes of the Missouri State Board of Agriculture. County Agents will send their communications to Director A. J. Meyer of the Agricultural Extension Service. Officers of farm organizations may file their correspondence, if they so prefer, through their state officers.

DE MOLAYS ENJOY PICNIC AT LAKE CRABILL SUNDAY

Officers of Council to Go to Kansas City August 14-15 for Instruction.

Thirty-five members of the Order of DeMolay in seven cars went on an all day picnic to Clarinda yesterday. They were accompanied by M. A. Peery, adviser of the chapter. The merrymakers left Maryville at 9 o'clock and went directly to Clarinda, where they immediately donned bathing suits and spent the afternoon in the lake. All boats that were rentable were soon monopolized and it was impossible for anyone else to get a ride all afternoon.

At 6 o'clock mess call was sounded and the DeMolays assembled at the hotel for a royal feed. Everything from fried chicken to ice cream was served and for a while it looked as though the supply would run out. The picnickers returned last night.

The four highest officers of the DeMolay chapter will go to Kansas City August 14-15 to attend a school of instruction, given by the grand chapter in that city. Officers from all of the chapters of the adjoining states will be present for the purpose of learning more about the new order.

The expense of the delegates will be paid by the Kansas City chapter after they reach that city and the local chapter is paying their expenses to and from their destination.

The officers from Maryville who will attend are: master councilor, Paul Pickens; senior councilor, Gordon Roach; junior councilor, William Geist; scribe, Jack Rowlett. M. A. Peery, chairman of the advisory council of Master Masons, will accompany the boys.

Do you know why it's toasted?

To seal in the delicious Burley flavor.

It's toasted.

LUCKY STRIKE CIGARETTE

The American Tobacco Co.

Sues for Divorce.

Ethel I. Kabel filed suit for divorce from Orval T. Kabel with Circuit Clerk G. H. Westfall Saturday afternoon. The petition charges desertion and non-support. Mrs. Kabel asks for the custody of an infant child, Lavena Ferne Kabel. Shinabargar, Blagg and Ellison are attorneys for the plaintiff.

P. A. Tooher, 115 South Walnut Street went to Moberly Saturday night to see his brother, D. T. Tooher, who is in the Wabash hospital at that place.

Haines

The Biggest Little Store in the United States.

WHY NOT ENJOY A VACATION RIGHT HERE AT HOME?

A vacation from the family wash-sub—from Blue Monday and all its cares.

Just resolve, right now, this week, to bundle up the family wash and send it to us.

We'll wash everything sweet and clean for you, in oceans of pure water, (the kind we have for you to drink at our fountain) and suds of mild white soap, and iron all the larger flat pieces.

Then we'll return your bundle, all complete, except for a few things you can iron at your leisure.

Think of the time and toil this will save you—yet it costs so very little.

Gather up everything that needs washing, phone for our representative and he will call promptly.

Maryville Steam Laundry

CENTENNIAL HALF-DOLLARS ON SALE IN MARYVILLE

Memorial Arch Will Be Erected By Proceeds From Sale of Souvenirs

Sedalia, Mo., August 1.—Everyone who buys a Centennial half-dollar, a special coin minted in commemoration of Missouri's hundredth anniversary as a State, will not only be obtaining a souvenir of unique value, but they will also be doing their bit toward building a Memorial Arch, a permanent gateway to the State Fair Grounds here.

This arch will be built sometimes next year, when the permanent plan of the new Fair Grounds has been approved and the new entrance has been decided upon. It will be dedicated to the memory of Missouri heroes who died during the World War. No estimate of the size or cost of the structure can be given now, because it is not known how much will be realized on the sale of the coins.

The coins are selling fast all over the country, according to local bankers here. They have been distributed to the banks of the State, and are available in almost any town. An order was received from Los Angeles, Calif., yesterday for 500 of the Centennial half-dollars. Orders from all over the country come in every day, and the coins will no doubt be disposed of before the Exposition closes. No profit will be made by anyone on the coins, the entire proceeds going to the Memorial Arch dedicated to Missouri's heroes.

To Camp in Utah

Mr. and Mrs. Gabe Purcell and wife left Conception Junction yesterday for a thirty days camping trip to Utah. They plan to visit C. E. Larley at Helper, Utah and Andrew Vickery at Provo. They will camp enroute and plan to make the trip to Helper in a week.

Has Tonsil Operation

Audrey Linthicum, daughter of James Linthicum, south of Maryville, had her tonsils and adenois removed at the St. Francis hospital Saturday afternoon.

Leaves for Michigan.

Mrs. M. A. Moyer of Norcatur, Kan. who has been visiting in Maryville at the home of Mrs. M. Heffern for the last month, left Friday for Decatur, Mich., to visit relatives.

White Star Employs Teacher.

Miss Maude Whitehead has been employed to teach the White Star school for the coming year.

Advance Fall Modes on Display This Week

Like a freshening breeze, the first of the New Fall Fashions has descended upon us. Just to look over the smart fabrics, the clever hints of new ideas in designing, of wholly unexpected beauties in the way of garniture is both invigorating and inspiring. This advance showing is a pleasant foretaste of the delightful things the Fall Season has to offer. You'll find thorough enjoyment in inspecting these authentic Fall Modes.

WHAT THE NEW SUITS FORETELL

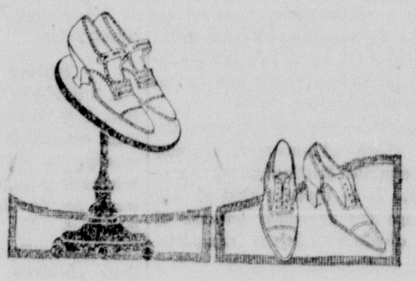
The new fall suits are adorable. Plain, straight skirts are the rule and sleeves are the interesting feature of the jackets. This gives promise of a season in which suits will be more than commonly favored. Garments so invitingly wearable as these first modes are a rarity and sure to be very popular. Fabrics are plain with fur, embroidered and braided trimming effects a feature.

FROCKS IN THE NEW MODE

Frocks for the new season are wisely adhering to the becoming youthful outline. Two wholly new notes are sounded in the fashioning of the new frocks—the neckline and the unique sleeve development. Much prominence is given to the straight Florentine neckline, while vagaries in sleeves are innumerable. A variety of the new fall shades to choose from.

LITTLE THINGS THAT COUNT IN THE NEW FALL SCHEME.

The dainty blouse that contributes its graciousness to the austere tailleur; the lace jabot or vestee with collar folding softly back over the dark-toned suit coat; the strap-wrist or slip-on gloves of correct shade and type; the modish veil that enhances the smartness of the hat; the charming bag in shape and color to blend with the attire. These and many other Little Accessories are distinguishing features of the well-dressed woman.



FALL FOOTWEAR

Both the boots and oxfords are featured for fall wearing. The Brogue oxfords and strap will be favored by the college girls, especially for early wear. Black and shades of brown in walking styles as well as the dressy type are featured.

Silk and lisle stockings in qualities to meet every demand and a shade to match every shoe. Prices very moderate.

FALL SWEATERS

The new Fall Sweaters are here, both the wool and silk in black and colors, many in combined colors. The Tuxedo style is the feature with belts and pockets adorning most of the new fall arrivals.

FALL MILLINERY

The hat of the mode is defined in terms of velvet and satin soleil, with gold and silver embroidery and snatches of brilliant color. In these first displays your choice sways from the nifty sailors and jaunty little duvetyns with up-turned brims to the feather hats and soft velvets. You are sure to be impressed with this early showing of Fall Hats.

New Fall Modes on Display in the Show Windows This Week.

MANY PEOPLE ATTEND WOLFERS' BURIAL RITES

Services Held Yesterday Morning on Porch and Lawn of the Home—Burial in Hopkins Cemetery.

A large number of relatives and friends attended the funeral services held at Pickering yesterday for C. A. Wolfers, president of the Wolfers Mercantile Company of Pickering and the Bank of Pickering, who died suddenly at his home at 7 o'clock Friday morning. The services were held at 10:30 o'clock on the lawn and porch of the home conducted by the Rev. J. J. Cokeley, living near Mound City, a former pastor of the Pickering Methodist church.

The body lay in state between 9:30 and 10:30 o'clock. A quartet composed of Andrew King, William Noakes, Alva Ingels and W. E. Johnson sang. Burial was in the Hopkins cemetery. The acting pallbearers were employees and former employees of the Wolfers Mercantile Company and were H. C. Clutter, and P. H. Stewart of Hopkins, William McKee and J. E. Herbert of Pickering, Ed Green of Stanberry and Gordon Swinford of Maryville.

The employees of the Gillam-Jackson Loan and Trust Co., and the First National Bank of this city with a son, Fred Wolfers, is connected, and the employees of the Wolfers stores at Pickering and Hopkins all attended. Among those attending from Maryville were Mr. and Mrs. C. C. Corwin, Mrs. O. C. Hanna, Mr. and Mrs. M. L. Beattie, Roy Curfman, Dr. F. C. Wallis, A. Neil Somerville, Mr. and Mrs. Roy Hanna, Mr. and Mrs. Joseph Jackson, Mr. and Mrs. J. F. Colby, Mr. and Mrs. S. G. Gillam and son, Forrest, Mr. and Mrs. Joseph Farrar, Mrs. A. C. Nicholas, Dave Seckington, W. N. Deatherage, Marvin Curnutt, G. B. Holmes, R. R. Souers, Harold James, Edward W. Gray, Miss Katherine Carpenter and Harvey McClary of St. Joseph. Mrs. S. E. Hawkins of St. Joseph, sister of Mr. Wolfers was the only relative attending from a distance.

COUNTY AGENT HELPS TO RID FIELD OF GRASSHOPPERS.

R. A. Kinnaird, county farm agent, visited the farm of Fay Sheley of Hopkins yesterday, where he helped Mr. Sheley prepare a poisoned bran mixture to kill the swarms of grasshoppers which are eating up a young alfalfa field.

Mr. Kinnaird still has several townships to visit in his survey of the county to determine the extent of infestation by the hessian fly. He visits two or three fields in each township, and has found so far that the infestation is generally light, with a few fields badly damaged by the pest.

On Auto Trip to Colorado

H. S. Medsker and family of Graham left today for a six weeks' trip to points in Colorado. They will make the trip in their car.

Visiting in Kansas City

Miss Mayme Grems left today for Kansas City where she will visit her aunt, Mrs. Frank Flynn, and Miss Helen Flynn. She expects to be gone three weeks.

Mrs. H. C. Wiseman of Hopkins was a Maryville visitor today.

COUNTY CLERK'S NOTICE OF SPECIAL ELECTION.

Notice is hereby given that a Special Election will be held at the regular polling places in each precinct of Nodaway County, Missouri, and that the polls will be opened between the hours of 6 o'clock in the morning and 7:20 o'clock in the evening on the first Tuesday in August, 1921, being the 2nd day of August, for the purpose of voting upon the following propositions:

"Proposition No. 1—Shall there be a convention to revise and amend the Constitution?

"Constitutional Amendment No. 1—Proposed Constitutional Amendment enabling women to hold any office in this state.

"Constitutional Amendment No. 2—Proposed Constitutional Amendment providing that the interest of the $60,000,000 authorized Road Bond issue may be paid from motor vehicle license fees.

"Constitutional Amendment No. 3—Proposed Constitutional Amendment authorizing the Legislature to incur and provide by taxation for the payment of indebtedness not exceeding $15,000,000 for bonus to soldiers and sailors."

State of Missouri, County of Nodaway, ss.

I, Fred W. Smith, Clerk of the County Court within and for the County of Nodaway, do hereby certify that the above and foregoing is a true and correct copy of the Propositions to be voted upon at a Special Election, also the hours during which the polls will be open.

In testimony whereof I hereunto set my hand and affix the seal of said County Court. Done at office in Maryville, Missouri this the 16th day of July, 1921.

(Seal) FRED W. SMITH,
Clerk of the County Court.

ROAD BILL FINALLY PASSES ASSEMBLY

(Continued from page 1)

the basic principles of the bill as originally presented by Senator Ralph.

No Bond Money Until 1923

None of the 60 million dollars of bonds will be available for road purposes until March 1, 1923, under a bill passed Saturday night by the house.

The bill as passed by the senate provided the first insallment of bonds should be sold January 1, 1922. The measure approved by both houses provides the first installment of bonds shall be 10 million, and that each year after 5 millions in bonds shall be sold.

Several reasons are given for deferring the sale of the road bonds. The work now being done, or under contract by the highway department, will take all the revenue from motor car licenses until the middle of next year, it was said. Also, the proposed constitutional amendment to pay the cost of state road maintenance will not be voted on until November, 1922. An argument used against the early sale of bonds is that the market now is in bad shape.

The legislature will adjourn officially Wednesday noon. However, all the legislative work will be disposed of early in the morning and the members will go home. A force of clerks will remain here until the middle of the week.

Under the bill, the town-to-town designation of the state system, is retained. But an important amendment is added permitting the highway commission to make any change desired in the fifteen hundred miles of trunk line roads.

Twenty-nine millions of the 60 million bond fund is set aside for fifteen hundred miles of trunk roads connecting the larger towns of the state. The remaining 31 million are to be used in constructing the rural roads of a gravel (properly bound) costing not less than $6,000 a mile.

The federal aid also is apportioned in the same manner as the state road fund.

One of the big questions, now that Missouri has a road law, is whether an attempt will be made to defeat the measure by the referendum. Referendum petitions must be filed within ninety days if the law is to be suspended.

LIGHT COMPANY'S TURBINE HAS ARRIVED IN MARYVILLE

Came Last Thursday and Will be Unloaded This Afternoon and Tomorrow Morning.

The 600 kilowatt turbine which the Maryville Electric Light & Power Co. expects to use to double the capacity of its plant arrived at the Burlington station Thursday afternoon and will be unloaded and taken to the power house this afternoon and in the morning.

The turbine cost $18,000 and is a part of the additional equipment purchased by the company when it decided to spend $30,000 to increase the capacity of its plant a few months ago. It weighs seventeen tons and freight charges from the factory at Erie, Pa., was $600.

The new unit has a greater capacity than the three engines now used by the plant. After it is installed, which will probably be about September 1, it will be in constant use and the three engines now used will be kept on reserve.

The new turbine was installed to meet the demands of the growth of the company. As the plant stands now the present equipment would suffice but there are no reserve engines to use in case something should go wrong at the plant. With the installing of the new turbine, there is a reserve supply of almost the full capacity of the plant.

The foundation for the turbine has not been completed. It will require floor space of 16 by 6 feet. This is less than the space required for one of the engines.

The condenser which will be used in connection with the turbine has not arrived yet. It was shipped from Jeanett, Pa., July 27. All of the new equipment is expected to arrive and be installed by September 1.

The Shoemaker-Bovard Transfer Co. will have charge of conveying the new turbine from the Burlington station to the plant. It is thought that it will not damage the pavement because of the wide wheels used in the transportation.

Mr. and Mrs. G. B. Allen and sons, Marvin and Buford, of Union Star, Mo., are visiting in Maryville with Mrs. Allen's father, A. D. Saunders and family. Miss Prudye Saunders has been visiting at the Allen home and returned yesterday with her sister and family in the Allen car.

Mr. and Mrs. Loren Schnabel announce the birth of a daughter, born yesterday afternoon at St. Francis Hospital. She has been given the name of Nancy Ellen. Mrs. Schnabel is in a critical condition.

Mrs. F. B. Webb of Bedford, Iowa, was transacting business in Maryville today.

SERVICE MEN HAVE CHANCE TO GET WYOMING LAND

Drawing of 217 Blocks of 80 Acres of Irrigated Land, Will be Held September 9.

A land drawing is to be held in Wyoming on September 9 with filing days on September 5, 6, 7 and 8. In a letter to H. Wilfred White, J. L. Anderson, formerly of Maryville but now publisher of the Goshen County Journal and adjutant of the American Legion Post in Torrington, Wyo., writes as follows:

"They are going to open 217 units, which will contain approximately 80 acres in each unit of irrigated land and there will be some dry land with some of the units. This land is within a short distance of a railroad, some of it being within five or six miles of Torrington and the rest close to a new town that was just started the first of the year. The Union Pacific is building a new railroad through part of the country.

"It will cost $5.10 an acre to draw on the land but this will be refunded if one is not lucky. The land is worth from $125 to $200 an acre to the lucky man.

"Be sure to tell all that are coming to be sure to bring their discharge papers or a certified copy of them along with them. The Legion here will take charge of the balance of the papers.

"The drawing will be held at the same time as our county fair. I would advise anyone coming that they come and take in the fair and see what they raise in this country. It is a great sugar beet country."

FARMERS MUST CUT HEDGES SAYS PROSECUTING ATTORNEY

Unless Law Is Complied With by Aug. 15, Suits Will be Instituted.

Prosecuting Attorney McCaffrey today notified several land owners by letter that unless they cut their hedge by the 15th of this month they will be prosecuted. Mr. McCaffrey in a statement said:

"Section 10,717 of our road law requires every person upon whose land any hedge is growing along or near any public road to cut the same down to a height of not more than five feet between the first days of May and Aug. of each year under a penalty of from $50 to $500.

"The law also requires the prosecuting attorney to bring suit to collect the penalty within thirty days after being notified that any land owner has failed to comply with the provisions of this section. Failure of the prosecuting attorney to bring suit subjects him to removal from office."

CORN IS THIRTEEN FEET HIGH ON JACKSON FARM

Sample Stalks Brought From Near Guilford are on Display in C. of C. Rooms.

Harry Wells, who lives west of Maryville, has brought to the Chamber of Commerce rooms several stalks of corn from the farm of Roy Jackson, south of Guilford. The stalks are thirteen and a half feet high, with well developed ears.

Mr. Jackson has 250 acres of the big corn, of which 150 acres is first bottom land, from which the sample in the Chamber of Commerce rooms was taken. It is all big and well matured and beyond need of rain. The ears are well matured. A man can ride horseback through the Jackson cornfields and remain entirely hidden from sight.

RUSSIA TERRORIZED WITH REVOLUTION AND PLAGUE

Paris, Aug. 1.—A revolutionary uprising today added fresh terrors to famine and plague stricken Russia, says a Reval dispatch.

Four million plague stricken peasants are reported moving toward Moscow from the stricken areas. New cholera cases are developing at a rate of 400 a day in the plague ridden countryside.

Tulloch to Springfield

A letter was received from Mr. and Mrs. I. E. Tulloch this morning. They went to the Ozarks last Wednesday evening in their car. They spent Wednesday night in St. Joseph and went on to Springfield Thursday morning.

At Springfield they were joined by their children, Stuart and Virginia. They will make the drive home sometime the last of the week.

Returns From Western Trip.

W. J. Staples returned yesterday from a month's visit in San Francisco and Los Angeles, Cal. In San Francisco he visited his son, Harold Staples, who is manager of the Marsh & Co. photographic plant and has fifteen men under him. This plant makes from 4,000 to 6,000 prints daily. Mr. Staples brought home with him many pictures of scenes in California and of places he visited which were taken by his son.

Mr. and Mrs. Bonham of King City have been visiting in Maryville with their daughter, Miss Eucile.

FANS SEE CLOSE BASEBALL GAMES

(Continued from Page 1)

ville were Dewey Scott, Still and Mayes. The former had a double, two triples and a scratch single out of five times at bat, and Still and Mayes each had a single and a double. The White Stars made ten hits and six errors, and Ravenwood eight hits and the same number of misplays.

In the game between the Clearmont and the Chicago Legionnaires on the closing day of the Clearmont picnic and soldiers' reunion, the home team was apparently suffering from too strenuous exertion in the game the day before. Lefty Clark, pitching for Clearmont, was badly off form, and the former soldiers won a top-heavy game, 11-2.

Despite the loss of the ball game, the last day of the reunion was a decided success, according to Hubert Garrett, commander of Tony A. Bears Post of the American Legion, under whose auspices the three-day celebration was held.

Linebaugh's Red Sox of Clearmont won yesterday from the Hopkins second team in a one-sided game ending 12-0. Trueblood and Myers were the battery for Clearmont and Brown and Turner for Hopkins. The heaviest hitting was done by Wilson of the Red Sox, who poled out three two-baggers.

Parnell had a compartively easy time defeating Hopkins at Parnell yesterday. The score was 8-2. Parnell making one run in the first and third innings, four in the sixth and two in the eighth. Hopkins did not score until the seventh inning.

Lefty Cooper pitching for Parnell, with Farley on the receiving end held the Hopkins batters to five hits while Parnell was getting ten off the delivery of Ray Cunning, with Turner doing the catching. Parnell made only one error, and Hopkins three. Home runs by Hall and Summa were features of the game.

Tomorrow the Parnell team will meet the Chicago Legionneires, who defeated Clearmont yesterday. Next Monday they will play the Kansas City Allies, a fast negro team.

Sheridan was also a winner yesterday, defeating Bedford, 3-1, in a game played at Sheridan. Ives, Rusco and Rusco were the battery for Sheridan and Fuller and Ames for the Iowans.

FAIR TIME MEANS BUSY DAYS FOR W. O. GARRETT

Will Start This Week on Trips Which Will Take Him to Many States

W. O. Garrett has returned from Peoria, Ill., where he attended the meeting of the full board of directors of the Poland China Breed Promotion Association and also the meeting of the executive committee.

The full board of directors is composed of three representatives from the Standard, American and National Poland-China Record Associations. It was its semi-annual meeting and the books were audited, bills checked and various appropriations passed upon.

The executive committee, of which Mr. Garrett is also a member is composed of only one representative from each of the record associations. Frank Garrett, secretary of the Standard Poland China Record Assiciation, also attended the meeting.

The Breed Promotion Association provided for twenty-three futurity shows, with prize lists approximating $22,000. There will also be 120 promotion shows and 86 pig club shows, of which one will be at Maryville. Appropriations were also made for other forms of publicity and advertising. Large posters in colors will be issued for posting at state and county fairs, in offices of county agents, sales and other public places.

Until the end of the fair season Mr. Garrett will be a busy man. He will go this week to the Taylor County Fair at Bedford. Then he will go to the Missouri State Fair at Sedalia and from there to the Iowa State Fair, then to Nebraska, Topeka and Hutchinson, Kansas, Pueblo, Oklahoma, Oregon, Idaho and ending up with the National Swine Show at Peoria.

Dean Campbell, who is county agent for the McCleave Motor Company of Barnard was in Maryville this morning.

Eugene Cummins, who is studying optomery at Kansas City, is in Maryville for a few days.

Miss Anna Sheirel of 4212 Agnas avenue, Kansas City, arrived yesterday for a few days visit with Glenn Hornbuckle.

Mr. and Mrs. Ralph Lewis of Ravenwood are transacting business in Maryville today.

Miss Mary King of St. Joseph is spending several days in Maryville with her sister, Miss Ella King, a student of the State Teachers College.

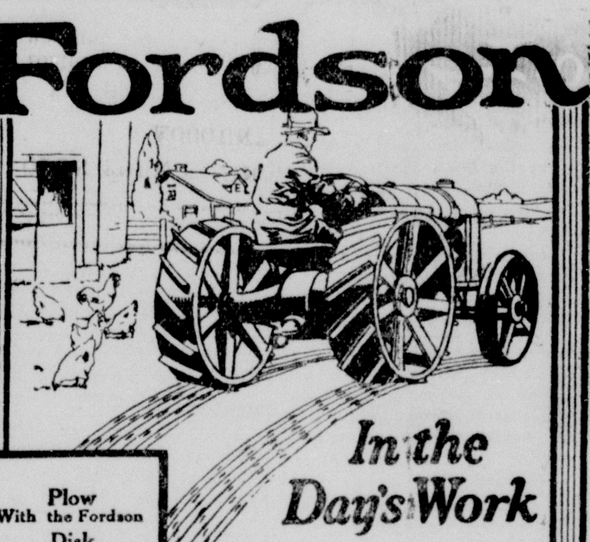
Edward Condon has resigned his position with the Montgomery Shoe Company and is now with the Maryville Drug Company.

E. E. Rhoades who has been on a two weeks' vacation in the South, returned last night.

In Maryville Between Trains

Misses Agnes McLaughlin and Nadine Shepardson, advance agents for the Redpath Vawter Chautauqua System, were in Maryville between trains this morning. They are both on the 7-day circuit and are on their way to towns in Kansas.

Fordson



In the Day's Work

Plow With the Fordson
Disk With the Fordson
Harrow With the Fordson
Harvest With the Fordson
Thresh With the Fordson
Bale Hay With the Fordson
Saw Wood With the Fordson
Pump Water With the Fordson
Grade With the Fordson
Pull Stumps With the Fordson
Fill the Silo With the Fordson
Grind Feed With the Fordson

Whether in the field, around the farm, or on the road, the Fordson Tractor is doing wonders in saving time, reducing cost and increasing profits for thousands of farmers everywhere.

No matter what the farm task, if it can be done by motive power the Fordson can do it, and do it well.

170,000 now in use in all parts of the country and in every kind of field and belt work prove the efficiency, stability, and reliability of the Fordson Tractor.

Call, write or phone for the facts. Learn now just what the Fordson means to you in the day's work.
